Aladdin and the Lamp

American English

Level 2

Chant 1

Aladdin went down into the cave
It was dark, it was cold
Aladdin went down and found the lamp
He found the lamp, the magic lamp

Aladdin was scared so he rubbed the ring
He rubbed the ring, the magic ring
Woosh, a big green genie flew out
"What can I do for you?" he asked

Aladdin went down into the cave
It was dark, it was cold
Aladdin went down and found the lamp
He found the lamp, the magic lamp

Chant 2

Who's that?
She's the emperor's daughter
She's nice
I'm going to marry her

She's the emperor's daughter!
You can't marry her
"Watch this" Aladdin said
Woosh!

You're a handsome man
Are you rich?
Yes, I'm very rich!
Then you can marry my daughter!

Chant 3

New lamps for old
New lamps for old
Here's an old lamp
I'd like a new one

New lamps for old
New lamps for old
The old lamp was magic
But not the new one
