

Penguin Young Readers Chants

The Snow Queen

British English

Level 4

Chant 1

She's a cold, hard queen
With no love in her heart
Her face is cruel
And she never, never smiles

She's the Snow Queen
A cold white queen
She's the Snow Queen
Cold hands, cold heart

She drives her sleigh
Through the falling snow
Oooh what was that?
I feel so cold

She's the Snow Queen
A cold, white queen
She's the Snow Queen
Cold hands, cold heart

Chant 2

Crack, crack
Goes the whip
Faster, faster
The Snow Queen cries

Stop, stop
Kay is shouting
I'm K..K..Kay
I w..w..want a ride

Then come here quickly
And sit beside me
Crack, crack
Off we go

Chant 3

I'm your sister, ay
You don't know me?
You don't know me?
I'm your sister, Kay

Teardrops are falling
Falling onto Kay's face
They wash the tiny piece of glass
Away from Kay's eye

I'm your sister, Kay
Now you know me!
Now you know me!
I'm your sister, Kay
